Promoting European dimensions in lifelong learning ... Promoting European dimensions in lifelong learning Wallis, John 2003-11-01 00:00:00 In the opening chapter of this book the author clearly states its purpose "as a resource for professionals in adult learning who want to increase their knowledge of the E.U.'s role in their area, and develop their capacity for benefiting from European programmes". Promoting European dimensions in lifelong learning ... This collection documents a range of experiences of building a European dimension to lifelong learning. It includes analysis of European Union (EU) education and training, accounts by managers and practitioners involved in European projects, European Social Fund (ESF) programs and transnational projects, a series of chapters providing assistance in areas such as proposal writing, and a guide to resources and information sources. ERIC - Promoting European Dimensions in Lifelong Learning ... Section II, Promoting Curriculum Change, consists of these three essays: "Beyond the Borders of Study Skills and Personal Development" (Kenneth Gibson); "Adult Learners' Environmental Training and Resources Project: A European Partnership" (Julie Shaw); and "Building a European Dimension in Trade Union Education" (Jeff Bridgford).
